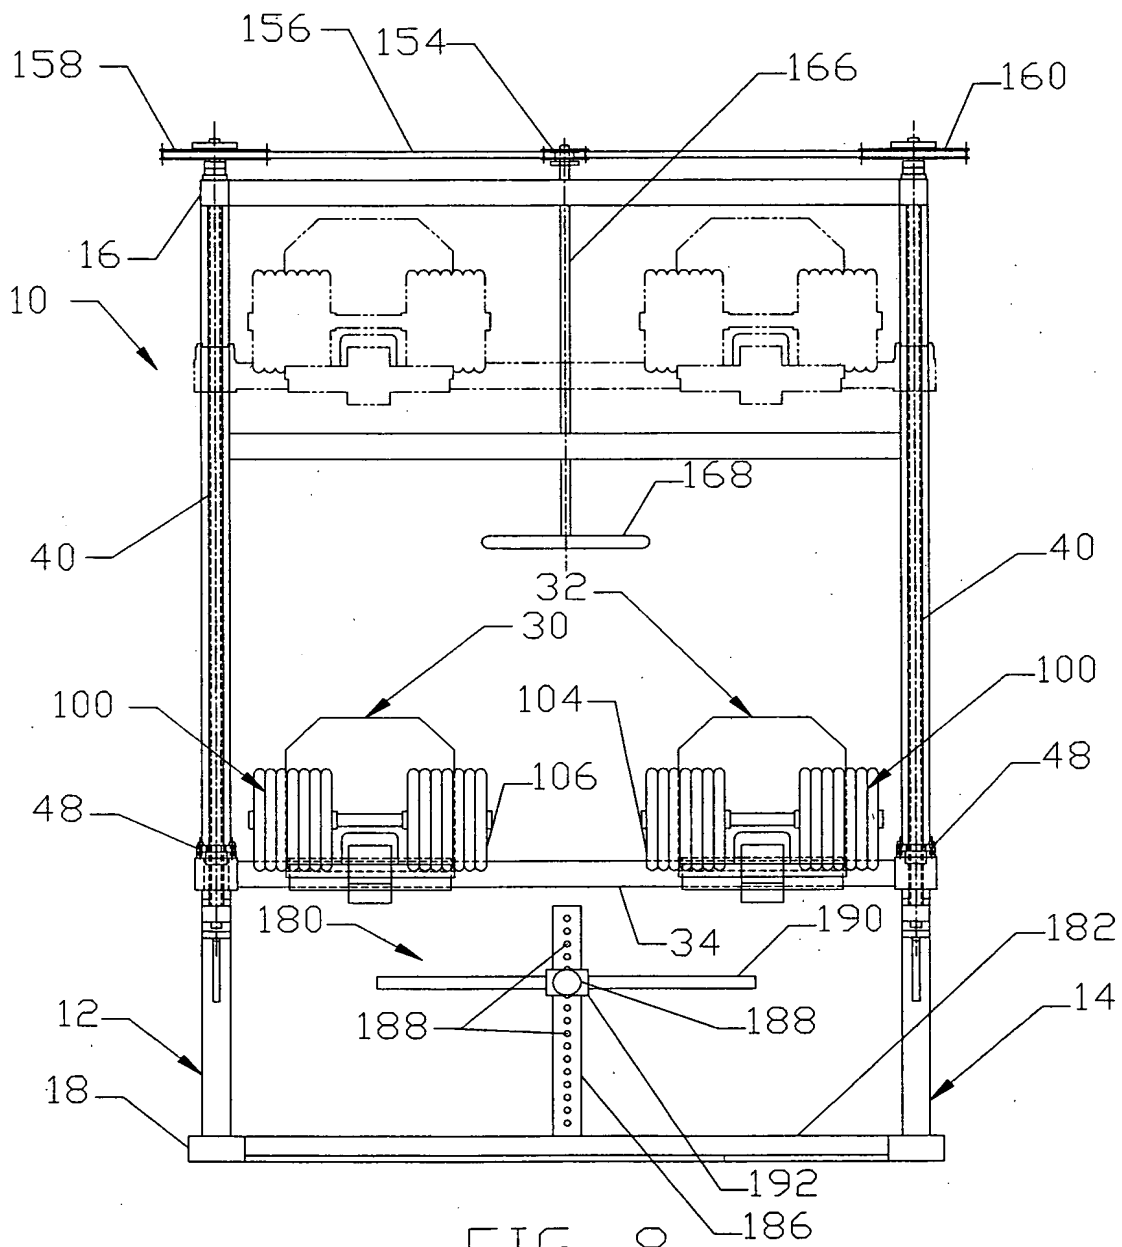

FIG. 8

The diagram illustrates a mechanical assembly, possibly a testing machine, with the following components labeled:

- 10**: The main vertical frame or support structure.
- 12**: A vertical guide rail or support column.
- 20**: A horizontal arm or beam.
- 22**: A vertical support or guide rail.
- 154**: A horizontal component, possibly a guide or support.
- 158**: A horizontal component, possibly a guide or support.
- 166**: A vertical component, possibly a guide or support.
- 168**: A horizontal component, possibly a guide or support.
- 180**: A vertical component, possibly a guide or support.
- 184**: A horizontal component, possibly a guide or support.
- 186**: A vertical component, possibly a guide or support.
- 188**: A horizontal component, possibly a guide or support.
- 190**: A vertical component, possibly a guide or support.
- 30**: A horizontal component, possibly a guide or support.
- 100**: A circular component, possibly a wheel or pulley.
